Die News bringen zusammen

It is happening frequently; when people doesn't know what to talk about they start talking about weather or the news. We wanted to show those situations in a funny way. Sometimes we are in an uncomfortable situation where you don't know what to say and it is really starting to become awkward. So don't worry anymore the Blick can save the situation !

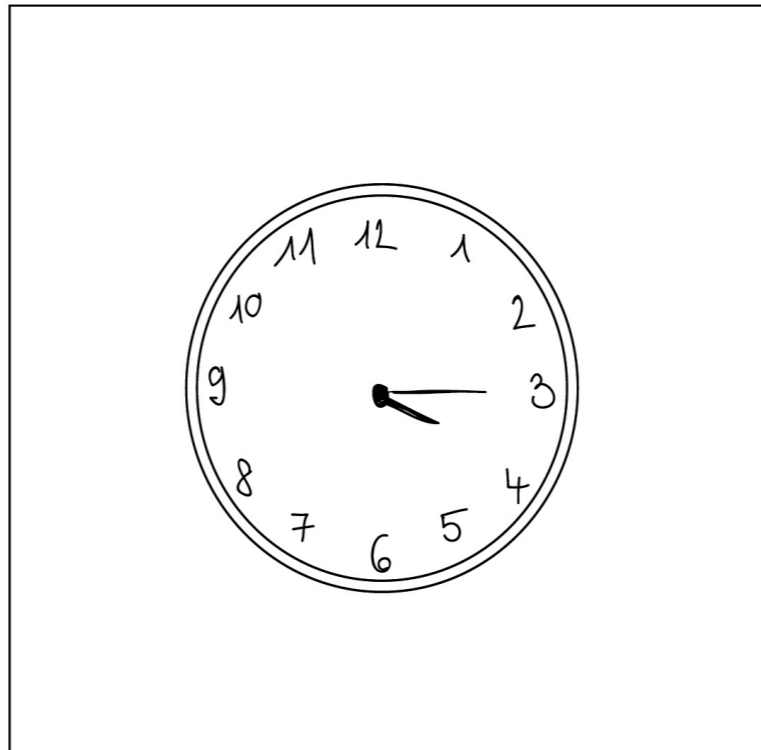

FILM 1

STORYBOARD

A woman invited her new stepdaughter to know her better.

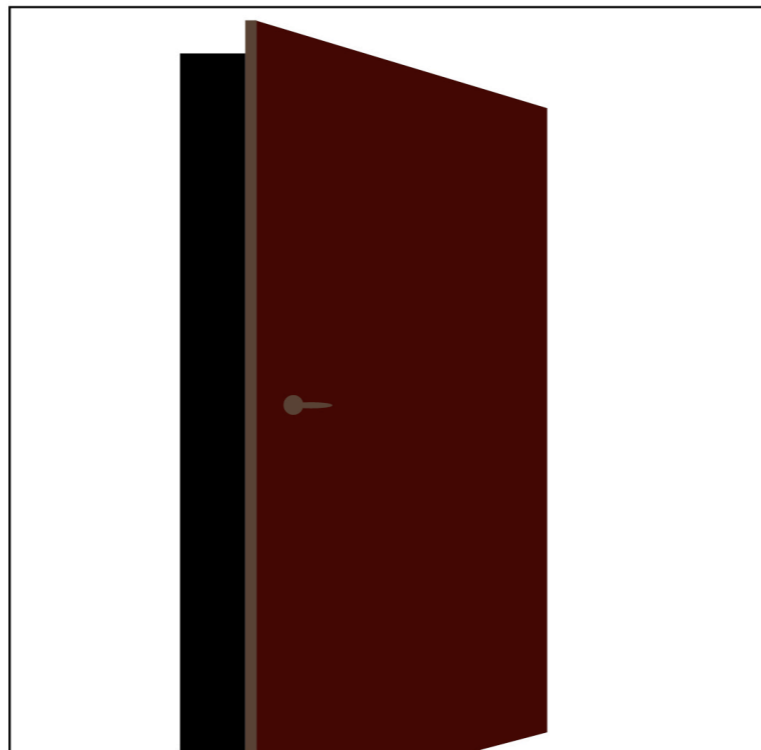

Clock noise
But they have nothing to share.

The stepdaughter is bored and uncomfortable.

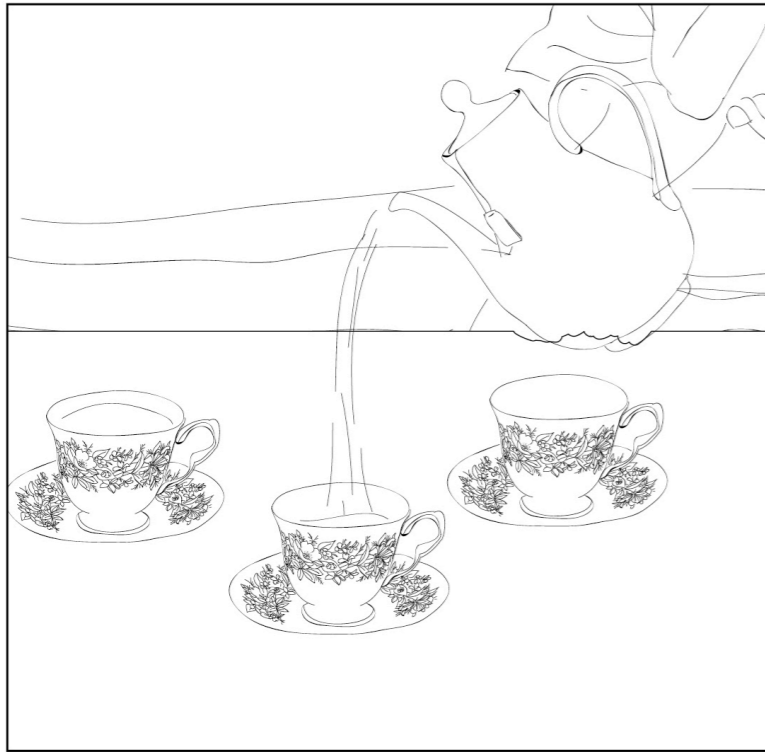

Zoom back to show the global scene
A huge silence is there.

The door opens...

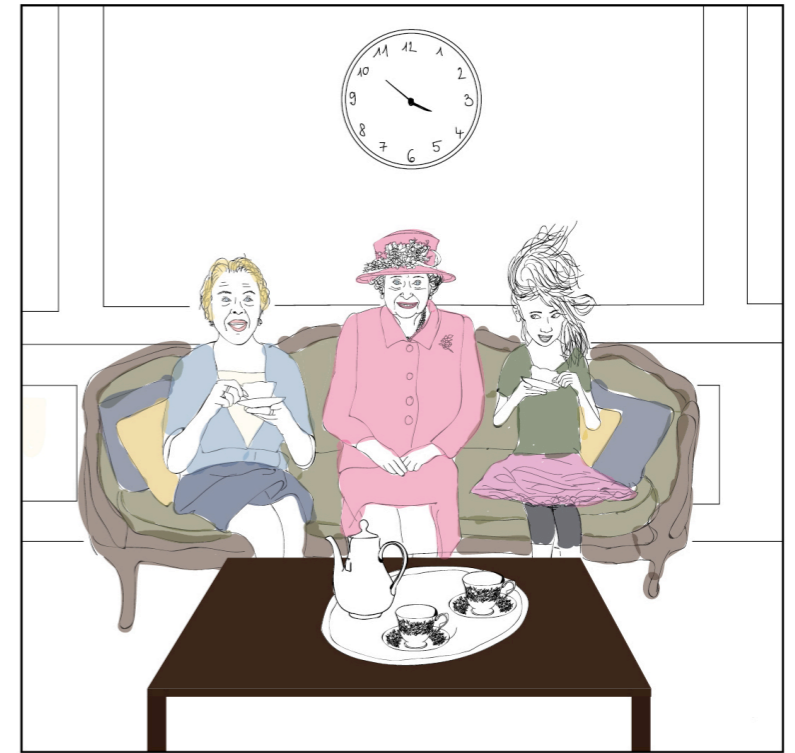

The Queen Elisabeth arrives with the tea setting.

She's serving the tea.

The mother-in-law takes a sip and smiles.

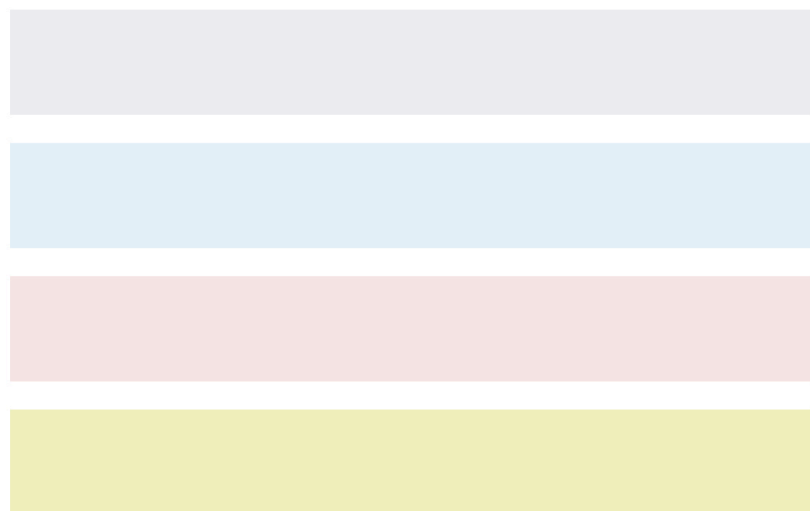

The tension disappears.
Thanks to Queen Elisabeth, they finally have
a subject to talk about.

FILM 2

STORYBOARD

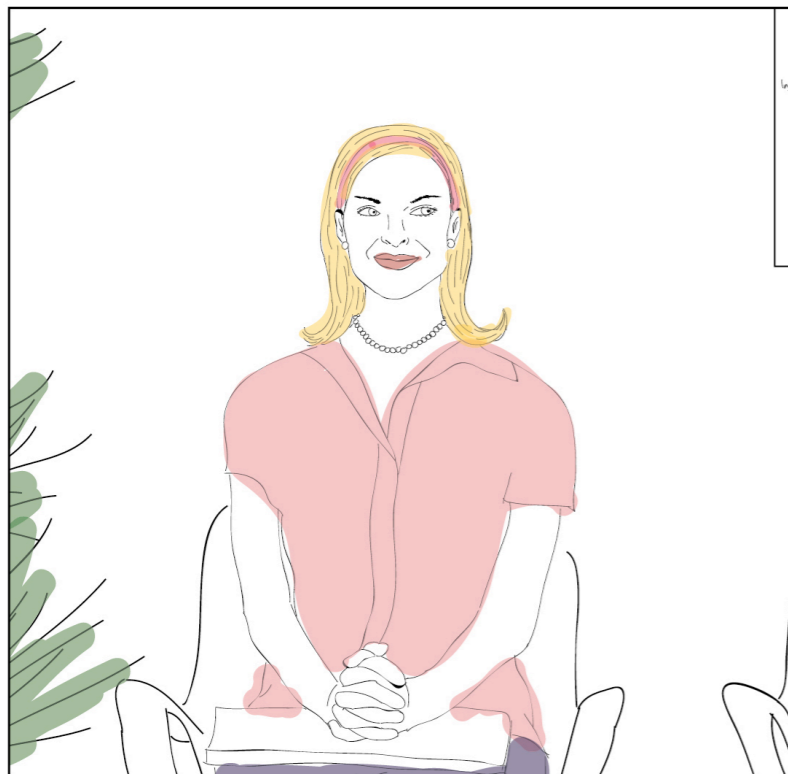

In a waiting room a distinguished girl is waiting to have her appointment with her doctor.

A new girl arrives in the waiting room.

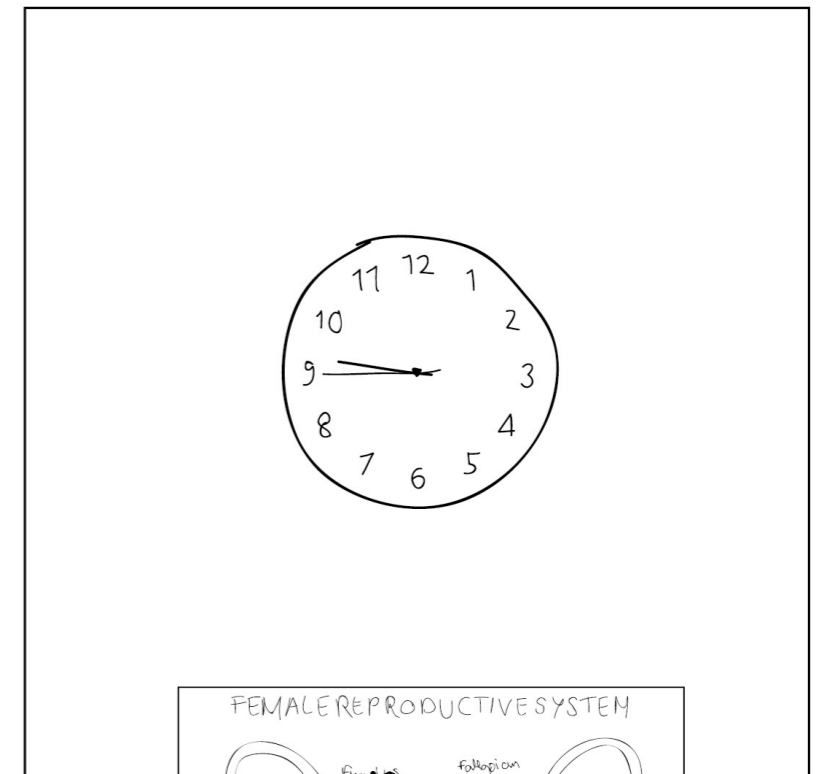

They are bored, nothing to share, the time is flying.

Disturbed, she looks at the new patient.

She also looks at her scornfully.

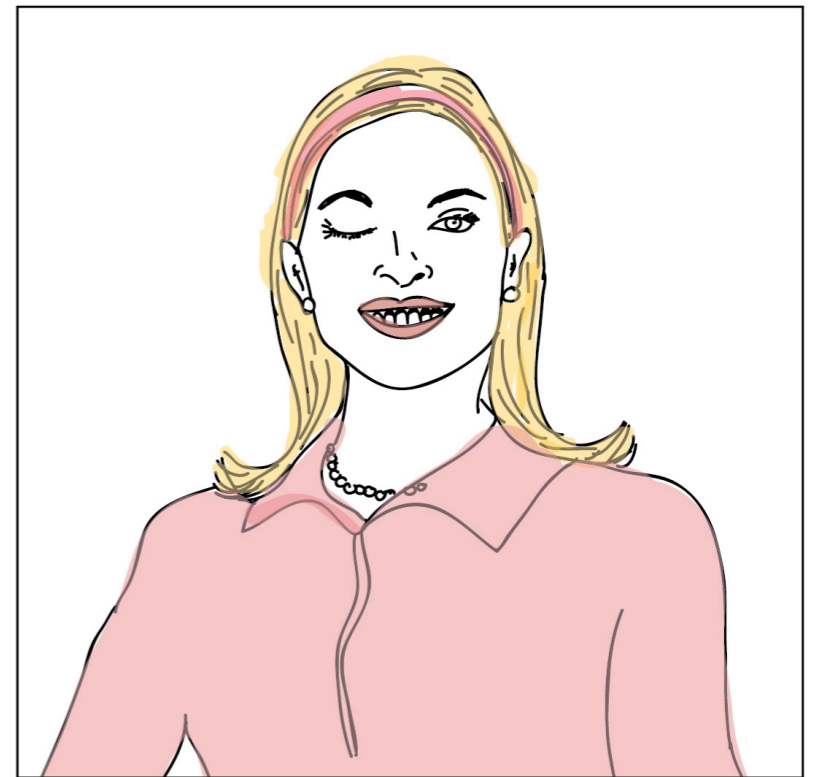

Clock noise
The silent is present.

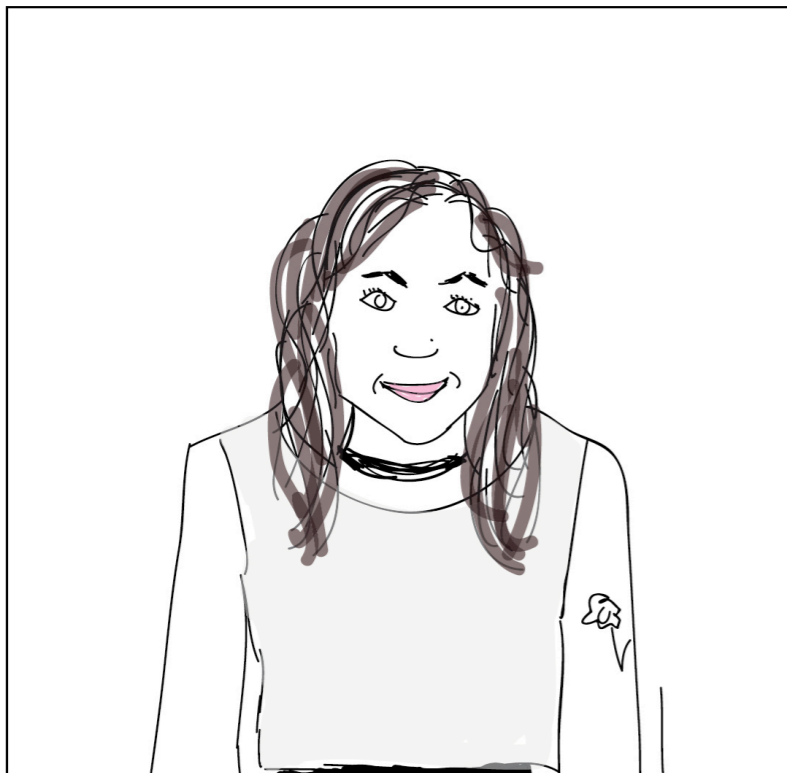

Finally, the awesome Dr Shepherd arrives in the waiting room and call the distinguished girl.

She stands up

Turn back to the other girl, she does a friendly blick of an eye and smiles at her.

Amused of this reaction, she smiles back.
