

Manuskript Schweiz Tourismus – No Drama

((Federer))

Hey! Bob, how you doing?

((De Niro))

Hey, Roger. How are ya?

((Federer))

Just relaxing in the Swiss Alps. Take a look!

((De Niro))

Yeah, it's good. Good. Good for you.

Listen, about this Switzerland film you want me to do

((Federer))

Yeah? Did you see the mood film I sent you?

((De Niro))

I'm watching it as we speak.

I don't like it.

((Federer))

What?

((De Niro))

Just look at where you are, Roger.

I mean, you've got your mountains, your skiing resorts, your charming little towns...

your green valleys.

There's no drama, no drama at all!

((Federer))

Seriously? But ... did you see the bit with the sunset?

((De Niro))

Roger, I'm a certain type of actor, I need an edge, conflict, jeopardy.

Switzerland is just too perfect!

((Federer))

Yeah, I guess you're right.

((De Niro))

That's exactly what I'm talking about

– you guys are too nice!

You should have said, "Fuck you".

((Federer))

Ok, listen. How about the two of us on this special mission?

We ski down the slope ...

((De Niro))

What? We're skiing down a slope together?

((Federer))

We go even sky diving.

((De Niro))

Come on!

((Federer))

Then we land on these fields, and the cows are grazing.

((De Niro))

Roger, I have to be honest with you

it's not happening.

((Federer))

Ah!

((De Niro))

Sorry, Roger.

Maybe call Hanks.

((Federer))

Who?

((Abbinde))

When you need vacation without drama.

You need Switzerland.
